

Dear Friends,

In Romans chapter 15 and verse 30 Paul asks the Roman Christians *“to strive together with me in your prayers to God on my behalf”*. We at ANeW are very grateful for all you who have been striving in your prayers to God on our behalf. There have been a number of times recently when we have been very aware of the prayer support behind ANeW. We greatly value your prayers for this ministry.

We praise and thank God for:

- 130 adults and 25 children who joined us the night we had John Dickson speaking on ‘Is Christianity Fact or Fiction’.
- The Simply Christianity group, which has come out of the John Dickson night.
- The thirty five ladies who attended a High Tea at Georgetown with a talk on the joy of knowing Christ.
- Our great children's team who minister to around fifteen children each Sunday night – see picture of one group meeting during church.
- Over forty of us are going to our church weekend away.
- The ANeW website www.anewchurch.org.au
- The fact that we keep having our financial needs met.
- Our great team of musicians who lead us in church – see picture below.

The ANeW Musicians

Please pray that:

- All of us at ANeW would continue to be faithful together in prayer so that this work might be clearly headed in the directions that our great God would be pleased for it to go.
- The five Growth Groups would be places where people do indeed grow in their knowledge of God, their love of one another and their passion to see everyone come to know the Lord Jesus.
- We would continue to develop a clear vision as a Church.
- God would show us ways to reach out and connect with our community for the sake of the Gospel

- The ministry to children each Sunday night would continue to be developed and that God would provide us with all the leaders that we need for that.
- God would be continuing to sustain our CMS link missionaries, Stu, Isabella, Sophia, James & Tim now in South Asia and our BCA link missionaries, Geoff and Tracey Piggott in Coober Pedy in South Australia.
- The financial support for ANew would continue to grow

Some of the great ANew Team;
